

48" X 24" SPLIT GANTRY TABLE

With a 50 Watt laser installed

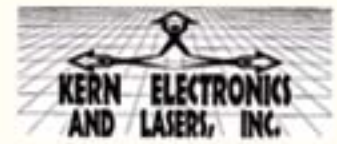

**Laser Sizes
Available:**
30 Watt, 50 Watt,
100 Watt, 150 Watt,
200 Watt,
and
400 Watt

The Split Gantry models move the vacuum table out to you when the cutting and/or engraving is done for easy removal of your parts.

Multiple lasers can be mounted on this system or any Kern Laser System to increase your production.

Install a 30-watt air-cooled laser to cut and engrave woods, plastics, leather and other materials. Install a 100-watt laser or larger with the metal cutting option for cutting mild steel and stainless steel to have a completely versatile system.
